Do you have questions about the SBA Emergency loan (2nd Round) for small business owners?

This no-cost webinar is designed to provide our small business clients with answers to help you understand:

- Who is eligible for an SBA Emergency 2nd round loan
- What you need to have in hand before filing your application
- Understand realistic timelines for approval/closing on your loan
- Helpful guides to help you estimate your economic loss to SBA

Facilitating the call is PASBDC director of capital acquisition, **Marcia McGavisk**. Marcia brings over 30 years of commercial SBA 7A lending experience and she has experience as VP of Operations with one of the largest SBA 504 lenders in the Commonwealth.

Because of the anticipated number of people on this webinar, we will take questions through chat and we will try to address as many questions as possible in the one-hour time slot that we have available.

Please recognize that we may not have all of the answers to questions about the eligibility for the second round PPP. But we will address as many questions as we have correct information to share.

Resources: Participants will receive more common screenshots of the SBA Emergency loan application. You will receive an FAQ about COVID-19 and other documents related to the loan application process.

A Zoom link will be provided upon registration.
